Patience and hard work went into the direction of the Senior Play presented on December 4th, 5th, and 6th.

The 1969 All County team contained four Millington Trojans. Through their efforts David Maley, Rick Pannell, Kelley Haley, and Peter McCarthy were among the league's best.

Arete

Arete, according to the Greeks, meant the sum of good qualities that makes character. At MCHS the word is used as the title of a club which promotes academic achievement. Members of this club have been awarded a scholastic letter at graduation for being on the scholastic honor roll five out of six times.

Among the several projects undertaken by this group is the Junior-Senior Boys basketball game, held to make money for a college scholarship. Arete is also responsible for the raising of the flag at all home basketball games. The main objective of Arete is to strengthen the character of the school by honoring those who have excelled.

Future Teachers of America

Future Teachers of America, sponsored by Mr. Durham, planned to promote the theme, "Better Education ... Your Job" for the 1969-70 school year. The members accomplished this by making posters for American Education Week as well as having a bulletin board display. Also, members sponsored "Teachers' Appreciation Week" during which they presented apples to the teachers.

Since the primary objection of FTA is to encourage students to consider teaching as a career, they awarded a $50 scholarship to a senior interested in teaching.

Pep Club Presents Festivities

The enthusiasm and outstanding spirit of MCHS during football games, basketball games, and assemblies is largely due to the school pride incited by the Pep Club. This club sponsors "Homecoming Week" and Winter Festival with money acquired from the sale of spirit ribbons and from selling bus tickets to away games.

Freshman Pep Club

This year the Freshman Pep Club has supported both their football and basketball teams with much enthusiasm and spirit.

They sold pom-poms before pep rallies and arranged buses for some of the away games. Because of their hard work and plenty of energy, the Freshman Pep Club is one that MCHS can be proud of.

Junior High Pep Club

MCHS has added a new club to its extra-curricular activities this year, the Junior High Pep Club. Members include students from both the seventh and eighth grades.

The artistic ability of many members shown by their victory posters has been noticed by students throughout the school. Their tremendous efforts in promoting support encouraged the teams to do their best.

Thespians Encourage Dramatic Spirit

A Thespian production is many things. It is memorized lines, good acting, ad libs, backdrops, sets, an upset director, staging and an alert prompter. All these factors brought together under the fine direction of Mrs. Henderson contribute to a happy ending.

This year many Thespians either had roles in the Senior Play, "Bell, Book, and Candle" or helped backstage with props, sets, and costumes.

The Chorus, under the leadership of Mr. Edwin Ray, again became an organized part of the action scene at MCHS after a year of absence.

This group, composed of interested students in grades nine through twelve, practiced long hours before and after school in performances. These included participation in the Thanksgiving and the White Christmas Programs.

However, sports is not the only concern of this club. Y-Teens sponsors two children from an orphanage along with volunteer work at the Arlington Hospital. The Annual potato chip sale and faculty basketball games help to finance a scholarship initiated this year.

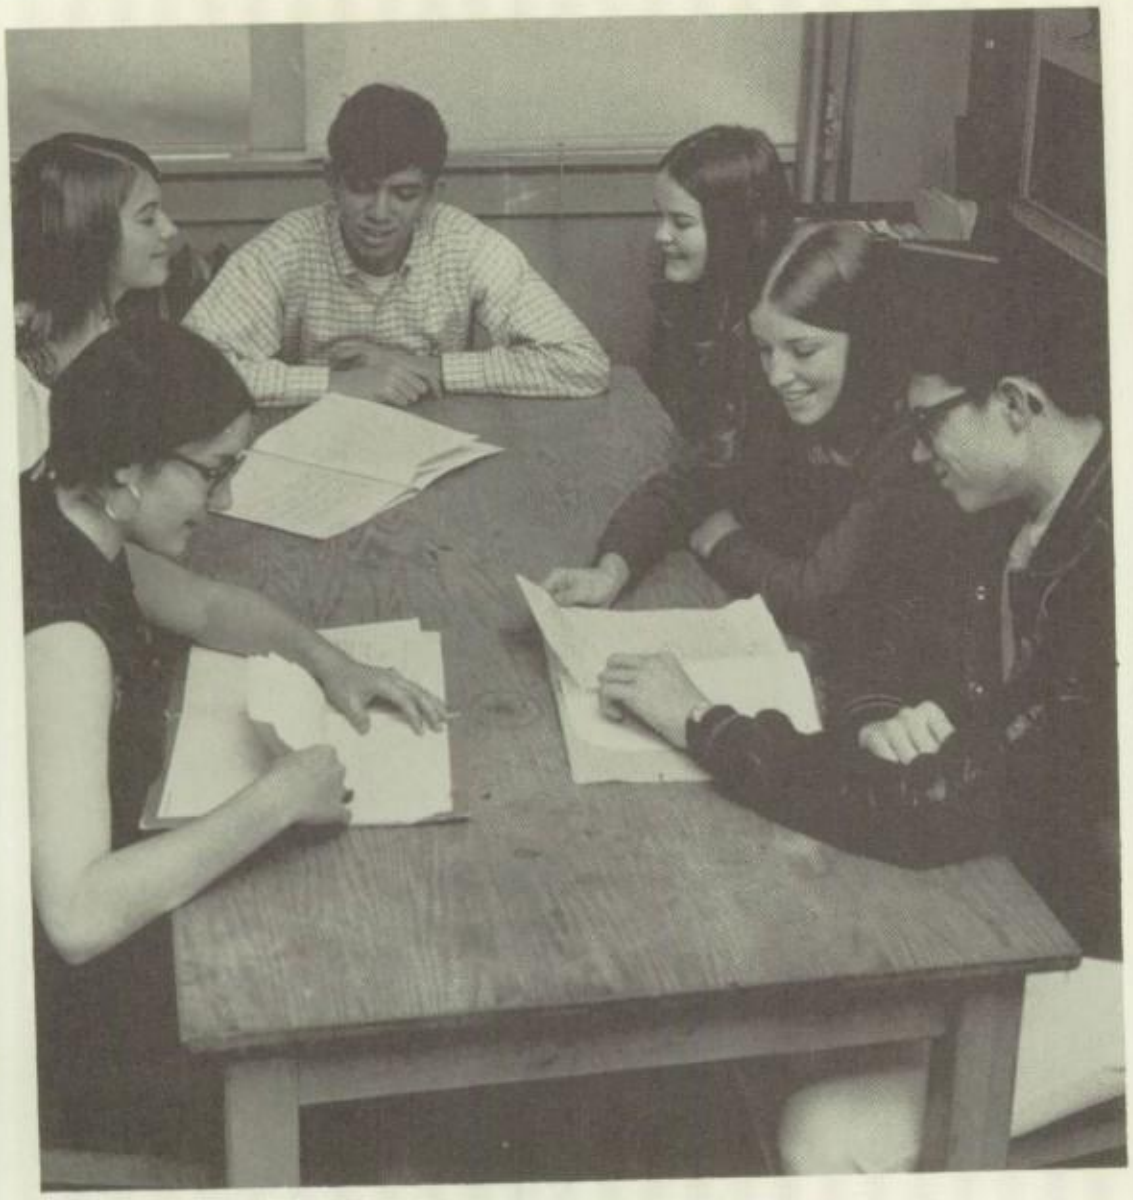
Underclassmen Publications



Members of the sophomore class have combined their literary talents to create an anthology. Known as the "Sophomore Literary Magazine," its contents consist of selected works that demonstrate their ability to formulate new ideas in creative writing.

The Junior High Paper Staff, sponsored by Mrs. Dodds, has worked hard to produce their paper, "The Gladiator." It includes news of interest to Junior High Students, editorials, and composition submitted to members of the staff. They received no help from faculty members, and we commend them for a job well done.
